Getting your image right

Shruti Ravi

IMAGE coaching is a powerful tool used to enhance and transform each aspect of people's image. The Sri Lankan Minister searched worldwide and requested Minocher Patel to do an image coaching program for him with a special focus on his public speaking and presentation skills. Minocher Patel, Founder Director Ecole Solitaire who is India's leading motivational speaker and corporate trainer and a success/image coach of international repute has added another feather to his cap by coaching Mr. Faiszer Musthapha, Deputy Minister of Technology and Research, Sri Lanka. "It was an honor to be invited to Sri Lanka to coach Mr Faiszer Musthapha," said Minocher Patel. Telling us more about his experience with the Minister, he adds, "I found him to be very humble, polite and eager to learn. It was amazing to see him learn so quickly."

Image coaching includes etiquette training, verbal and non verbal communication, presentation skills, wardrobe management and much more. It is designed specially for CEO's, VP's, celebrities, sports personalities, politicians, businessmen and their families, young-

sters from business families to cater their individual needs and preferences. Minocher Patel has coached many famous personalities from different fields on their image projection. Ecole Solitaire has now come up with special program for the heirs of businesses and girls about to get married. For more details on Ecole Solitaire training/coach-
